Dear Mr. Attorney General,

I am writing you to urge you to put an end to the seemingly endless litigation and appeals and new suits brought by the less-than-tenuous attorneys under your jurisdiction. I have been a stock holder and user of Microsoft products for more than fifteen years and find the products more than adequate and very reasonably priced in the market place. I believe what has been accomplished to date in the litigation is more than adequate to restrain Microsoft and allow all the oversight necessary.

Please end this senseless wrangling and get on to more important matters ; such as off shore partnerships of off-balance sheet SPE of you know who.

Yours truly,

Delbert G. Ivey
